

6. Evaluation

6.1 How will I know if I did my job well? Judge your product

🌈 Before handing in your assignment, compare it to your teacher's requirements.

- * Did you do and include everything that was required?
- * Did you give credit to all of your sources, and did you write it the way your teacher requested?
- * Is your work neat?
- * Is your work complete and does it include heading information (name, date, etc.)
- * Would you be proud for anyone to view this work?

6.2 Judge your information problem-solving process

- 🌈 Think about what you did to finish this assignment. You may have learned some skills to use anytime you need information to answer questions!
- * What skill(s) did you learn that you can use again?
 - * How will you be able to use the skill(s) again?
 - * What did you do well this time?
 - * What would you do differently next time?
 - * Which information sources were most useful? You may be able to use them again when you need information.
