

# Learning To Learn

## "Life Long Learning"

We believe children need to acquire the key competencies and information necessary to operate effectively in society.

To do this we provide opportunities to utilise higher order thinking skills (H.O.T.S) using scaffolding such as:

- Information Literacy/Research Skills - The Big6 and Super3
- de Bono's 6 Hats
- Blooms Taxonomy
- PMI
- Multiple Intelligences
- Rubrics
- Ryan's Thinking Keys
- Graphic Organisers
