

# Super 3

## #1 Plan

**BEFORE you start doing anything, you should think**

- What am I supposed to do?
- What will it look like if I do a really good job?
- What do I need to find out to do the job?

## #2 Do

**Now you can DO the activity**

- This is where you read, view, tell, make a picture, or something else about the activity

## #3 Review

**Before finishing the product and handing it in, you should stop and think**

- Is this finished?
- Did I do what I was supposed to do?
- Do I feel ok about this?
- Should I do something else before I hand it in?
